## MORNING PRAYER

Criteria	Excellent	Good	Satisfactory	Needs Improvement
Created Power Point or Movie Maker with relevant pictures and instrumental music. Had 12 slides and 5 sec transitions.				
Located appropriate You Tube clip that reflected chosen theme well.				
Chose appropriate Guided Reflection from given website. Notes clearly showed reason for selection, how it fits theme and meaning of prayer.				
Shared Prayer Card had title, picture(s), description of theme and own written prayer. Was well laid out using Publisher and A5 in size.				
Mornings were thoroughly planned and students organised themselves without prompting each morning.
